PRIMERO BULLDOG

PRIMERO JR. SR. HIGH
Weston, Colorado
Editor, Arthur A. Mestas

Dedication

To Douglas Walker, a former student of Primero, we the annual staff of 1963, dedicate the 1962-63 yearbook.

He was born on November 8, 1945 in West Virginia. He has lived in Colorado since 1952 and attended Stonewall School until the sixth grade. Then he attended school for two years in Weston and after that went to Primero High School until he was a sophomore.

He was a sincere friend as well as a classmate. His quiet dignity and enjoyment of life and the pleasure of his associations with us will long be remembered.

I cannot say -- and I will not say
That he is dead -- he is just away
With a cheery smile and a wave of the hand
He has wandered into an unknown land

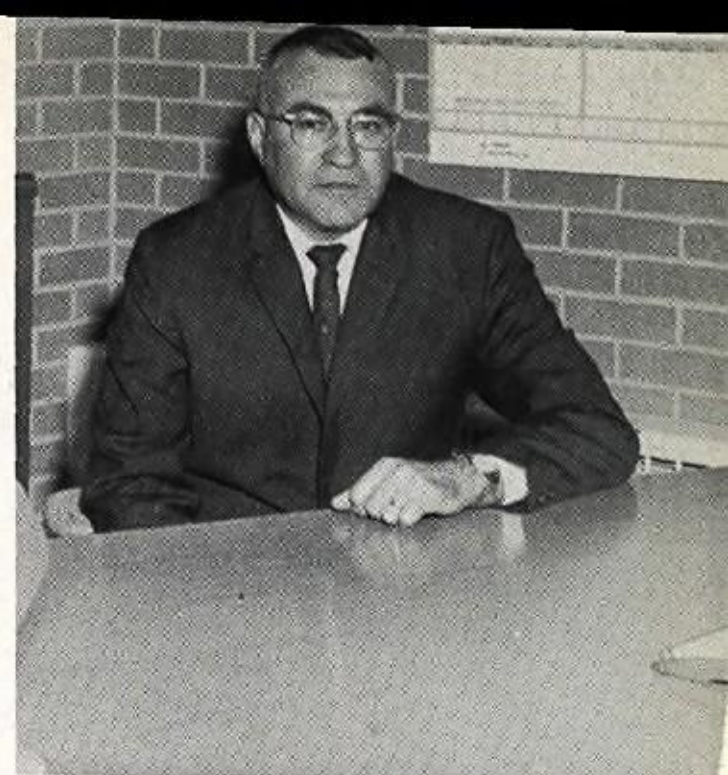

And left us dreaming how very fair
It needs must be, since he lingers there
And you - O you - who the wildest yearn
For the old-time step and the glad return

Think of him faring on -- as dear
In the love of there, as the love of here
Think of him still as the same, I say
He is not dead -- he is just away.

To the students of Primero High School and the Annual Staff Members: My Warmfelt Appreciation for a job well done. It is the significant things in life, such as this annual, that will bring many enjoyable memories in years to come.

Tony Espinoza
Principal

Education is a gradual, never ending process, as you will soon realize. Our ultimate goal is to be confidently certain that our students and graduates are receiving, and have received, the maximum educational requirements to best suit them for their chosen fields of endeavor and future life.

To the graduates who will be leaving Primero High School this year, I wish the fullest and most enjoyable future. To this end I hope our schools have played an important part. It is most gratifying to the educators of any community to learn of the advancement and success of the students with whom they were once closely associated. Your fields of endeavor may vary greatly, since you each possess individual personalities with various desires and goals in mind.

I sincerely hope that regardless of your vocation, or avocation, you will constantly bear in mind your responsibility to society, reflecting credit and pride on your family, community and school.

Respectfully,

Lloyd DeHerrera

Annual Staff

We, the annual staff, are proud to present to you our 1963 Bulldog. With our school year coming to an end, we look back and catch a glimpse of what we have done.

We, the annual staff, have captured most of the events that took place at Primero High School and put them in our yearbook. We hope this book means something to you. Where else can you look and recall all these treasured events. The only place is in your annual.
